Alphonse, St. Francois & Bijoutier

Legendary Fly-fishing Journeys 2011/2012

Atoll Loops

7 nights Alphonse Island Resort

-- 6 days fly-fishing St. Francois, Bijoutier and Alphonse islands --

For the ultimate, tropical island fly-fishing experience in the Indian Ocean, visit the atolls of Alphonse, St Francois and Bijoutier, situated 200 miles south-west of Mahe, the principal island of Seychelles.

The first fly-line in Seychelles settled in the turquoise waters of the Alphonse and St Francois flats in 1998 and the fishery has maintained its unsurpassed reputation since then. These southern atolls, with their sandy coralline flats and thriving reefs offer some of the most exciting, world-class saltwater fly-fishing imaginable. The heart and soul of the atolls is found on the shimmering flats, where the angler wades in crystal clear water, stalking wily Bonefish or searching for enigmatic Milkfish in more open water. Giant- and Bluefin Trevally, Triggerfish and numerous other species surprise and challenge.

Although remote, Alphonse Island is simply and safely accessed by air from Mahe. The resort itself provides comfortable accommodation and superb meals. The professional guides are motivated, knowledgeable and experienced - guests become friends, to return year after year.
